

THE 1935 PLYMOUTH PJE SEDAN

THIS IS THE CAR THAT STARTED WHAT BECAME KNOWN AS *Plymouth Doctor* RESTORATION PARTS

This car is not original rather it was rescued from an eternity of humiliation as a street rod, something the creators at the Chrysler Corporation never intended it to be. It is a one of a kind car and while there are many 1935 PJ Plymouths left, there is not another PJE 4dr Business Six known to exist.

When I found it sitting alone and neglected covered in 60 years of dirt, grease, dents, and scars it seemed scarcely worth the effort. But what started out as a laborious task soon became a labor of love for the unique character of the 1935 Plymouth.

I bought this Plymouth in 1994 and paid \$2,000 for it. Jesus Christ found me in much the same condition I found this old Plymouth yet He bought and paid for me *with his life and blood* on a cross at Calvary and like this Plymouth I have been restored to what my creator intended me to be.

This bit of history is shared with you in the hope that you will consider your relationship with Him and bring yourself to the foot of the cross and receive Jesus Christ – the ultimate restorer, as your Lord and Savior.
